## SPIDERS WALK AWAY FROM INDIANS IN CHAMPIONSHIP ENCOUNTER

Timely Hitting of Richmonders and Errors of  
Indians Decide First Game

By outplaying William and Mary in every phase of the game Richmond College won a Championship contest 9 to 2 at Broad Street Park, Richmond, Wednesday afternoon. The Spiders knocked Garnett out of the box in the fifth, and he was relieved by James, who pitched good ball the remainder of the game. The game was won by opportune hitting.

In the first inning Dobson's men sent two runners across. Miller fanned, Liggan drove a hot ground-er just inside the third base line for two bags, Crosby followed with another double, sending the ball to the left field. Newton made a good try for the ball, but misjudged it slightly. Carter was out at first. "Bill" Williams at first dropped one and Northern was safe, when Crosby scored. Pitt was out, second to first.

### INDIANS SCORED TWICE

The Indians scored in the third frame, putting two counters over the plate. Captain Garnett was safe on an error by Liggan and reached second, when the Spider captain threw wild to first. Heflin flied out to right. Geddy slammed a safety over second base and Garnett scored. On Newton's speedy ground hit to Cox, "Bugs" went to third. Cox purposely walked M. Williams. Stryker came to bat and waited out a free ticket, forcing in Geddy. This ended the scoring as P. Williams went out, third to first.

A single, a sacrifice hit, a stolen base, and an error gave Spiders another one in their half of the third. In each of the next two innings Richmond scored twice. In the seventh and eighth frames one apiece were added to the Red and Blue's count.

The speed of the Spiders in base-running and fielding and their timely hitting were the features of the game.

Garnett was off color as he had been overworked on the Carolina trip and his arm was in poor condition.

## DIRECTOR J. S. WILSON ANNOUNCES FACULTY OF SUMMER SCHOOL

Fifth Session Will Be Held From June 20th  
to August 17th

The faculty for the Summer Session to be held at Dublin, Virginia, from June 20 to August 17th has just been announced by the Director, Dr. James Southall Wilson. Those who will go from the faculty of the College of William and Mary include Dean John Lesslie Hall, Professors John C. Calhoun, George O. Ferguson, William H. Keeble and James S. Wilson. From other colleges, Mr. Donnell B. Young, formerly of Amherst College now at Columbia University, who headed the Department of Zoology at the William and Mary Summer Session last year, will again teach the Biology. He will be assisted by Mr. Charles C. Renick, of the faculty of the John Marshall High School, who will also be in charge of the work in Botany. Mr. Frank Griffin, recently of the Drexel Institute, but now also at Columbia, will teach Descriptive and Organic Chemistry, assisted by Mr. Clarence Jennings, formerly an instructor at William and Mary. Dr. Ventura Fuentes of the College of the City of New York will teach Spanish and Professor Archibald Currie of Davidson College, will head the Department of History and International Conciliation. Dr. Ashton W. McWhorter, of Hampden-Sidney will teach Latin. Other instructors are to be announced later.

The annual appropriation from the Legislature of Virginia has made possible the development of the summer work at Dublin upon a permanent basis. As the work is either of college grade or else normal work for male high school teachers, the William and Mary Summer Session is unique among the summer schools of Virginia. The large number of teachers that gather at Dublin are either the more advanced teachers seeking serious work or college students carrying forward their regular studies. It is probable that no where else in the country is there quite the same type of summer college doing intensive work amid the real atmosphere of college life.

## ACADEMY MAKES CLEAN SWEEP OF THREE GAMES ON TRIP

Newport News High, Hampton and Old Point  
Humbled by Papooses

On Thursday the Little Indians returned from a three day trip to Newport News, Hampton, and Old Point having added three more victories to their credit by defeating in turn, Newport News High, Hampton High and Old Point College.

Thursday evening in the closest game of the trip the Little Indians defeated Old Point College 11 to 10. The hard hitting of the Papooses and several costly errors on the part of the Old Pointers caused their defeat. Carson started the game as mound-man for the Academy but was driven from the box in the third inning, when he was succeeded by Ellis, who held the heavy-hitting Collegians to three hits and as many runs. The stick work of Ellis and Westenhaver was of high order, the former getting four hits out of as many times at bat.

Score by innings:

	R	H	E
W M A	241	300	001
O P C C	250	012	000-10 12 7

By out-hitting Hampton High the Papooses defeated that team 5 to 3 Wednesday afternoon. Ellis allowed his opponents only four safeties while his own team registered nine. In the third inning with two men on bases "Monk" Ellis pasted out a homer, this scoring three runs. Again in the seventh two men scored, when Monk slashed one to right center. Rowe scored in the fifth, but was out on the interference of a coach.

Score by innings:

	R	H	E
W M A	003	000	200-5 9 1
HAMPTON	000	000	210-3 4 3

### NEWPORT NEWS 2, W M A 13

Tuesday morning Newport News High was met and walloped in a game that was little more than a farce. The Little Indians scoring almost at will. The offerings of the High School twirlers were taxed for seventeen safeties. Rowe led with the willow securing five singles out of as many times up.

Score by innings.

W M A	200	043	202-13 17 2
Newport News	010	000	100-2 4 5

Yesterday the Academy defeated Blackstone Academy 10. Rain halted the game after four and a half innings had been played.

## DOCTOR DRAPER HAS TENDERED HIS RESIGNATION TO BOARD

Physician and Coach Resigns to Practice  
Medicine in Newport News

Dr. D. W. Draper, for three years college physician and coach of athletic teams has handed his resignation to President Tyler, to take effect in June when accepted by the Board of Visitors. After that time Dr. Draper will practice medicine in Newport News where he is having a house constructed.

While at William and Mary Dr. Draper has been a close guardian of the health of the students and ardently supported athletics for every man. As coach he has won our share of the championships in the E. V. I. A. A. Of the seven cups thus far awarded during "Doc's." regime, two have been won by William and Mary, baseball in '14 and basketball this year, and last year we were with the rest in tying up the baseball championship.

While in Williamsburg Dr. and Mrs. Draper have made many friends who will be sorry to see them leave, but the best wishes of all will go with them to their new home.

## DR. MOORE OF COLGATE SPEAKS IN CHAPEL

At Chapel Thursday, Dr. Moore, professor of Modern Languages at Colgate University spoke to the student body. The keynote of his address was "Don't Work Simply For Money, But Work to Serve." He showed that each man who leaves college owes something to his Alma Mater, and only the man who serves repays his college for the money and time that have been used in giving him an education. In conclusion Dr. Moore spoke of the growth of the nearest of our Virginia colleges, saying that he found in the place of old grounds a new campus of nearly two hundred acres and new buildings built by contributions from twelve thousand people throughout the State.

## WEST ELECTED

Yesterday at Chapel the Athletic Council proposed the names of W. C. West and H. C. Chandler for assistant basketball manager for '16-'17. Both names were accepted, and the association then elected West to the managerial position.

### STATE ORATORICAL CONTEST

The annual contest of the Virginia State Oratorical Association will be held at Lexington on May 5, under the auspices of Washington and Lee University. The members of the Association are Washington and Lee, Emory and Henry, Randolph-Macon, University of Virginia, Hampden-Sidney, Richmond College, Roanoke College and William and Mary and each member sends one representative to each contest. Two of the last three contest were won by William and Mary representatives.

The preliminary contest for the selection of our representative for this contest at Lexington will be

held in Chapel Wednesday night at 7:30 o'clock. Any student of the College is eligible to participate in this contest, and the representative for the intercollegiate contest will be chosen from those who take part in the contest Wednesday.

### RESOLUTIONS OF RESPECT

Whereas Almighty God in His infinite wisdom has deemed it good to call from this earth the beloved father of our esteemed friend and classmate, W. L. McCormick, we, the members of the Junior Class of the College of William and Mary do hereby express to him and to the bereaved family our sincerest heartfelt sympathy. Be it

Resolved, That a copy of these resolutions be sent to the bereaved family, that a copy be printed in The Flat Hat, and that they be read in the hearing of the student body in chapel assembled.

### COLLEGE WINS BENEFIT GAME

The College and Academy ball-tossers waded through nine innings on Saturday to a score of 9 to 6 with the College holding the long end. The game was played under the auspices of the local chapter of the A. P. V. A. and the proceeds went to defray the cost of the second William and Mary Tablet which the association will present to the college at finals.

As a ball game the contest was of the "back lot" variety. For five innings James held the Papooses to one tally, while his team-mates chalked up six counters. Forehand, who relieved him, had one bad inning in which four runs were made by the Academy. Neither coach used his full strength and errors were frequent on both sides. Spencer of the College was on the mound for Academy and would have fared better but for faulty support.

### COLLEGE COMMENT

Chapel Services are held at eight o'clock at the University of Kansas. The faculty claims that too much abuse of time for class, and other meetings compels them to set this time.

Thursday the University of Virginia celebrated Founder's Day with fitting exercises.

Yale, Princeton and Harvard are discussing the question of barring coaches from the bench in the Championship baseball series. No decision has yet been reached.

Sigma Delta Psi, which is an honorary athletic fraternity, has requirements so strict that there are fewer members than there are chapters.—New Yorker.

At the University of Cincinnati there is a girl on the varsity chess team.

The members of the student senate of Franklin and Marshall are subject to recall. The senate adopted this plan of their own accord.

Tulane University has just torn down an old stadium in preparation for the building of a new one.

Students throughout the country are now tending to abolish class scraps.

The colors of Albion College are pink and green. No wonder we hear of a movement on foot to change them!

Coe College seniors lead the other classes in scholarship.

A student's loan fund has been established at Delaware College.

It has been announced that Eddie Mahan, former captain and fullback of Harvard has accepted the position of coach at the University of California.

The next issue the of Delaware College Review will be published by a new staff.

### NOTED OF THE INDIANS

Rowe, of the Academy has certainly got his eye on the ball. In twenty times up he has landed for fifteen safeties. "Monk" Ellis is also hitting the pill at a terrific clip.

Thursday Lehigh University of Pennsylvania is met on Cary Field. The Northerners have a strong team and will be worthy opponents for the Indians.

"Bob" Newton and Vernon Geddy were the only Indians to get hits off Southpaw Cox.

There certainly must be more than two or three hits made to win a ball game. "You can't win no ball games without you get some hits," in language of the bush leaguer. And very seldom with eight errors added.

The Spiders showed speed on the bases and all-around aggressiveness. Nevertheless William and Mary can win the annual battle on Cary Field

with the Richmonders and we believe we will.

Saturday the Randolph-Macon team is met on Cary Field. The Indians are going right over those Jackets, too. Garnett ought to be in good shape to trim the Ashlanders.

The varsity lacked pep and speed and everything else like aggressiveness Wednesday. There must be more show of fight to win these Championship games.

Consequently everybody will be at the rally Friday night at 7:15. Beat Randolph-Macon.

With what knowledge we have of baseball it seemed a foolish thing to send Williams up to sacrifice, when six runs were necessary to tie the score at Richmond.

Van Garrett showed about as much baseball as anyone in the game Saturday. Besides dumping two beautiful bunts down the third-base line, one of which he beat out, the Midget hit a fast one over short for a base.

Mr. Westervelt, who umpired the game Wednesday is the former American League arbiter.

"Monk" Ellis pitched twenty-five innings for the Academy in three days. This in itself is work enough, but take a look at the hurler's batting average and you will see he contributed largely to the offensive work too.

"Little Van" drove in the winning run in the ninth for the Papooses at Newport News by a clean single.

Zehmer was given the glad hand when he bumped into the stand in an attempt to catch a high foul. It was a good try.

### ITEMS OF INTEREST

Hedrick is offering for sale everything from a pop-gun to a Krupp 42 centimeter.

Prof. W. H. Keeble went to Dublin Saturday to make arrangements for the Summer School.

Preparations are being made for the removal of the post-office to the old Hotel Gloucester. The work of remodeling the building is well under way and the new post-office will be in operation May 1st.

The Flat Hat recently received a copy of the new game law, which may be seen on the bulletin board.

Stranger: "Young man, can you tell me who is president of this college?"

"Duc" Joyner: "Well—er—he must be Prex."

Messrs. T. C. Tilley, W. L. Parker and H. W. Thorpe were in Williamsburg for the week-end.

Mr. J. L. Hall, Jr., visited his parents, Dr. and Mrs. J. L. Hall Saturday and Sunday.

The 26th has been definitely decided upon for a meeting of the Board of Visitors to consider a petition of the students in regard to changing the site of the proposed dormitory.
